01 Capacity

GoldenHome (Stock Code: 603180.SH), founded in 1999, is one of the world-leading manufacturer of kitchen cabinets, wardrobes, vanities and so on. As a leading manufacturer in the world, GoldenHome has been focusing on R & D, quality, environmental protection and service. GoldenHome have more than 2,000 high-end franchisee stores and has cooperated with thousands of commercial projects around the world. With a number of fully automatic production lines, the company can supply all kinds of styles of high quality products, such as lacquer, melamine, laminate, solid wood, PVC and so on.

02 Quality & Healthy

Quality is of the essence of GoldenHome's operation and development. The company has integrated global high-quality supply chain to ensure product quality over the years. It has access to the ISO 9001 international quality management system standard, the ISO 14001 environmental management system standard and KCMA standard. Moreover, the inspection and test center of GoldenHome has obtained the certification of CNAS also.

Consumers' health is another top concerned issue of the company. It strictly controls the quality of raw materials to meet international environmental protection standards such as E1/KCMA/CARB2/SIAA, and produces kitchen cabinets and wardrobes that have passed the certification of China Environmental Labeling Products to protect consumers' health.

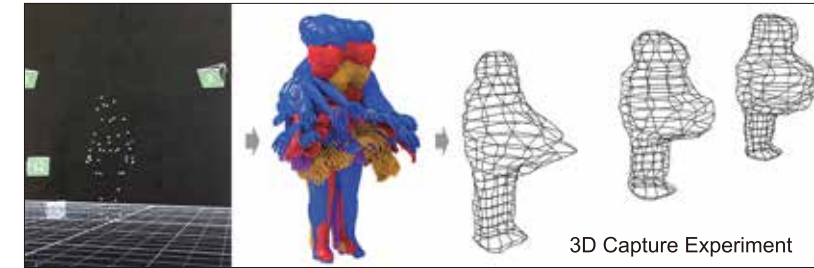

03 Multiplicity

With a number of fully automatic production lines, the company can supply all kinds of styles of high quality products, such as lacquer, melamine, laminate, solid wood, PVC and so on.

04 Research & Design

Focusing on research and development design, GoldenHome has certified as the "National kitchen Industrial Design Center" in the industry. The company is the main drafting unit of China's national standard GB/T18884.3-2015 Household Kitchen Equipment and GB/T 28202-2011 Furniture Industry Terms. GoldenHome has won hundreds of product patents around the world.
